

SMU LAW ACADEMY

ABOUT THE SMU LAW ACADEMY

The SMU Law Academy (previously known as CLE) has an established track record of providing the legal profession with seminars and other opportunities to network and keep abreast of legal developments in Singapore and beyond. Our carefully curated programme is developed with the profession's multi-faced needs in mind. All events meet the requirements of the CPD scheme.

Seminars are organised along the following three categories, covering a wide range of legal fields and jurisdictions:

Updates & Topical Developments

Foreign & Comparative Law

Fundamentals of Law

The Academy also administers the Auditing Scheme which enables members of the legal profession to consolidate and upgrade their understanding of the law by auditing courses in the School's LL.B., J.D. and LL.M. programmes. All our events are conducted by established faculty, practitioners and judges, and conveniently located at our modern School of Law building.
