LIFE! C4-5

Buildings come alive in the night

TITLED *Mimoid II*, this work is French artist Philippe Rizzotti's contribution to the Singapore Night Festival 2012. Back for its fifth instalment since 2008, the festival will be held over two weekends on Aug 24-25 and Aug 31-Sept 1 from 7pm to 2am.

The area at Bras Basah Bugis Arts and Heritage Precinct will be transformed into a carnival ground with main events taking place on the public green spaces of SMU, National Museum of Singapore, Singapore Art Museum, The Substation and more. Admission is free.

More local performers are taking the stage this year and Singapore's Brian Gothong Tan will present his creation, *We The People*, a six-minute experimental film that is projected onto the facade of the National Museum of Singapore.
