Support provided at BIG include:

- Financial support, such as application for grants (i.e. SG Startup Founder's Grant) and co-funding opportunities;
- A strong knowledge and support network, including strategic mentoring by a pool of world-class industry experts who are successful entrepreneurs, VCs, angels, corporate and government agencies;
- Regular mentoring by IIE's Entrepreneur-in-Residence to guide them on moving the company forward;
- Community events, ranging from Office Hours where startups can consult and get advice from invited experts, Founders' Updates, and other sharing sessions;
- Masterclasses which will equip the founders with knowledge on topics such as sales strategy, digital marketing, fundraising, and legal advisory;
- Access to The Greenhouse in SMU, a newly opened 700sqm workspace in the heart of downtown Singapore (currently closed till further notice due to COVID-19);
- Additional perks such as credits from corporate partners to offset the bills when the startups engage the services of these corporates, which include Amazon Web Services, Stripe, and more.
